

ATS CONTINUING EDUCATION WEBINAR
Adfast Webinar - Building Façade Glazing: Specify
the right sealants in structural and non-structural
applications.
Friday, November 12, 2021

12:00 PM

Building Façade Glazing: Specify the right sealants in structural and non-structural applications.

During our Building Façade Glazing training, participants will learn about the different families of sealants and how to choose the correct product for each application. We will discuss the effect of UV light on sealants and the difference between structural or non structural silicone sealants. And finally, the importance of surface preparation before sealing joints.
