

ATS CONTINUING EDUCATION WEBINAR Savaria - Vertical Material Handling Systems & Methods

Tuesday, October 28, 2025

12:00 PM Welcome, Credits, and Certificates

12:05 PM Vertical Material Handling Systems & Methods

This course explores the various types of vertical material handling systems that are available; what kinds of end users and buildings reap the most benefits; and the wide range of objects that are transported vertically, between the floors of any structure. National code applications are also discussed.
