

ATS CONTINUING EDUCATION WEBINAR
Windsor One - Sustainable Exterior Envelope
Friday, June 02, 2023

12:00 PM [Welcome, Credits, and Certificates](#)

12:05 PM **Sustainable Exterior Envelope**

This course focuses on the effect biological and physical agents have on the wood substrate of the exterior building envelope. After reviewing these agents, you will learn how proper installation and best building practices can limit the exposure these agents can pose to your project. Durable wood substrates will also be discussed with a comparison of popular man-made durability agents used to further protect the exterior envelope.
